Dear Secretary,

As you are aware, the Ministry of Labour and Employment is implementing the National Career Service (NCS) Project by transforming Employment Exchange processes to Career Centres. The Ministry has since developed the portal with key functionalities associated with the employment exchange processes including online registration career counselling, job matching etc. (NCS Brochure is enclosed at **Annex-I**). The NCS portal has a knowledge-rich career content repository and can be accessed by the employment exchange officers, counsellors and other stakeholders for which easy steps for on-boarding have been enclosed (**Annex-II**).

2. It may be appreciated that the success of the project is integrally dependent on participation of key stakeholders so that all employment related opportunities and options are available and accessible nationwide. This will also facilitate efficient matching of skills with the industry demand. We seek the participation of your Ministry/ Department in furthering the NCS initiative through its attached offices, institutions, PSUs, autonomous bodies etc. for posting job vacancies and getting access to the rich database of candidates seeking jobs. To coordinate the NCS activities in your Ministry/Department, it is requested that a Nodal Officer may be designated whose particulars may be sent as per the format at **Annex-III**.

Steps have also been taken to verify the marks obtained by candidates from the CBSE examination board and will be operationalised shortly.
