GENERAL

(INTRODUCTION & GENESIS OF THE PROBLEM AND IMPORTANCE AT CURRENT JUNCTURE)

Tribes are a group of people having distinct language, culture, lifestyle and socio-economic condition and are living in a specific geographical area. Normally, the tribes reside in interior forests, remote and inaccessible areas or in the outskirts of forests and hilly regions. According to Article 180 of the Constitution, the Scheduled Tribes are the tribes or tribal communities or part of groups within these tribes and tribal communities, which have been declared as such by the President through a public notification. As per the 2011 Census, the Schedule Tribes account for 10.42 million representing 8.6 percent of the country's population. The tribes are characterized by distinct cultures, shyness of contact with other communities at large and economical backwardness.

Immediately after independence, Governments both at National and State level had given much attention for the development and welfare of the tribes and this has resulted in improving the living conditions of the tribes across the nation.

The tribes that reside in the remote corners of the nation do not have first hand information about what is happening elsewhere in the country. When they get sufficient information and opportunities to interact with their peer groups in other parts of the country, they develop national and emotional linkages. The tribal youth should be positively engaged and educated and for that youth exchange programmes is a step forward.

Nehru Yuva Kendra Sangathan organizes Tribal Youth Exchange Programme for the development of tribal youth with the support of Ministry of Home Affairs, Govt. of India. Seven Tribal Youth Exchange Programmes have so far been organized by Nehru Yuva Kendra Sangathan since 2006 in collaboration of Ministry of Home Affairs, Govt. of India.

Immediately after independence, Governments both at National and State level have given much importance for the development and welfare of the tribes and this has resulted in improving the living conditions of the tribes across the nation. But the achievements comparing with the quantum of money spent and the time consumed, is not as was expected. Illiteracy, unemployment, poverty and its related syndromes have forced the tribes to alienate themselves from the mainstream. Misinformation campaigns by the disruptive forces among the tribes have vitiated the situation further.

The tribes who are residing in the remote corners of the nation are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the nation, the extremist activities among them can be curtailed. In this context it is proposed that, the tribal youth should be positively engaged and educated and for that; tribal youth exchange programmes will be of great help.

AIMS & OBJECTIVES

- To provide an opportunity to the tribal youth of 24 selected districts of 03 states to visit different places of the country to understand the cultural ethos, language, lifestyles of the people depicting unity in diversity aspect of our national life.
- To expose tribal youth to the technological and industrial advancement that have taken place in different states of the country with focus on various developmental activities, skill development, educational & employment opportunities available there.
- To sensitize the tribal youth about their rich traditional and cultural heritage and enable them to preserve it for the future generation.
- To help the tribal youth to develop emotional linkages with their peer groups in other part of the country and enhance their self esteem.
- To share and appreciate each other's traditional, historical and cultural heritage by visiting important places associated with the programme.
- To provide opportunities to the participants for interactions with the local communities, Panchayati Raj Institutions and the youths affiliated with the NYKS Youth Clubs so as to develop emotional and cultural ties with the youth placed in similar life situation in different parts of the country.
- To develop personality of the tribal youth by enhancing their understanding of Ten Core Life Skills, identify their skill development oriented training needs and fulfilment of their legitimate career aspirations through Employable Skills Scheme of Government of India and State Govt and provide them necessary guidance and career counselling.

CONCEPT AND METHODOLOGY

The tribes who are residing in the remote corners of the nation are not having first hand information about what is happening elsewhere in the country. If the student and youth communities are getting sufficient information and opportunities to interact with their peer groups in other parts of the nation, the extremist activities among them can be curtailed. In this context it is proposed that, the tribal youth should be positively engaged and educated and for that; tribal youth exchange programmes will be of great help.

Jaipur (Rajasthan), Bangaluru (Karnataka), Hyderabad (Andhra Pradesh), Amritsar (Punjab), Kolkata (West Bengal), Ahmedabad (Gujarat), Chennai (Tamil Nadu), Pune (Maharashtra), Guwahati (Assam) and Varanasi (Uttar Pradesh). BROAD STATISTICS ABOUT THE ISSUE

The tribal population of the country, as per 2011 census, is 10.43 crore, constituting 8.6% of the total population. 89.97% of them live in rural areas and 10.03% in urban areas. The decadal population growth of the tribal's from Census 2001 to 2011 has been 23.66% against the 17.69% of the entire population.

Tribals constitute a large percentage of population in Left Wing Extremism affected areas. As per data of Ministry of Home Affairs on state wise extent of LWE violence (during 2010-15), 2513 incidents took place during 2010 in which 1005 deaths were recorded. In 2011, 1760 incidents took place in which 611 deaths were recorded. In 2012, 1415 incidents took place in which 415 deaths were recorded. During 2013, 1136 incidents took place in which 397 deaths were recorded. In 2014, 1091 incidents took place in which 309 deaths were recorded. During the year 2015 (upto 15.04.15) 357 incidents took place with 79 deaths recorded.

From the above analysis, it is evident that LWE does present one of the gravest challenges to national security. The physical and demographic spread of the problem and the nature and degree of disillusionment reflects an unenviable reality, which requires sincere, unified and focused attention of every element of the government machinery to neutralise the hard-line fringe Maoist element and simultaneously bring inclusive development to the areas.

There are 106 districts covered from 10 states viz. Andhra Pradesh, Bihar, Chhattisgarh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Telangana, Uttar Pradesh and West Bengal under SRE (Security Related Expenditure) to LWE affected states by the Ministry of Home Affairs, Govt. of India to address the issues.

Ministry of Home Affairs, Govt. of India has selected 24 districts covered under SRE Scheme for the current proposal of 8th Tribal Youth Exchange Programme from the states of Chattisgarh, Jharkhand and Odisha.

DISTRICT WISE DETAILS OF PARTICIPANTS AND ESCORTS

IMPLEMENTATION STRATEGIES

Selection of Programme Venues: The 8th Tribal Youth Exchange Programmes will be organized at ten venues. The venues are Jaipur (Rajasthan), Bangaluru (Karanataka), Hyderabad (Andhra Pradesh), Amritsar (Punjab), Kolkata (West Bengal), Ahmedabad (Gujarat), Chennai (Tamil Nadu), Pune (Maharashtra), Guwahati (Assam) and Varanasi (Uttar Pradesh). The programme will be organised by the concerned ZDs with support of concerned DYCs of NYK. It will have participation of a total of 2000 Tribal Youths (@ 200 youth at each venue) drawn from 24 focused districts which are included in the list of 106 districts covered under the SRE Scheme of Ministry of Home Affairs.

Selection of Districts from which the participants will be selected: From the selected 24 districts (selected by Ministry of Home Affairs, GOI) on an average 24 tribal youths, (per district in 50:50 male: female ratio) in the age group of 18 to 22 years along with 02 official escorts (01 male & 01 female) will be invited at each programme location (venues) from the states of Chhattisgarh, Jharkhand & Odisha.

Agency wise selection of Tribal Youth

Selection of participants should be done by Central Armed Police Forces (CAPFs viz. CRPF, BSF, SSB, ITBP,) and NYKS from the interior and remote areas in LWE affected districts giving priority to the most primitive tribals.

- **CRPF:-** 320 tribal youth participants from each of the other 6 districts of Chhattisgarh will be selected by the CRPF and 70 tribal youth participants from each of the 10 districts of Jharkhand and 90 participants from Nuapada district of Odisha (Total 320 participants from Chhattisgarh, 700 from Jharkhand & 90 from Odisha) will be selected by CRPF.

- **SSB:-** 140 tribal youth participants will be selected by SSB from Ranchi and Dumka districts of Jharkhand (70 tribal youth from each district) and 120 tribal youth participants will be selected by SSB from Balod districts of Chhattisgarh. **Total 260 participants.**
- **ITBP:-** 120 participants from Rajnandgaon, Chhattisgarh district. **Total participants-120**

- Care **should be taken not to allow persons** who participated in earlier Tribal Youth Exchange Programmes (TYEPs). The idea is to ensure participation of youth from the most interior parts of the LWE affected areas.
- While priority is to be given to the tribals from interior areas, some non-tribals may also be considered as participants for better communication and exchange of ideas not only within the group but also with the outsiders.
- One Member which is associated with NYKS will accompany with the CAPFs personnel while selecting the participants.
- The district wise list of participants along with filled in Enrollment form (**Annexure-4**) and indemnity Bond selected by BSF, ITBP, SSB , CRPF and NYKS must be communicated to concerned District Youth Coordinator and concerned Zonal Director at State level.
