New Year Greetings

New beginnings, fresh starts, reaffirmations of love and promises for a brighter future, all these come to mind as we enter the **New Year**.

May the **New Year 2018** grace you with great success of your envisioned mission in life, embodying renewed vigour, shared optimism with innovative and impactful solutions.

Let us pledge to work with **Sewa Bhaav** (Spirit of Service), infuse our thoughts for new awakening, resolve our grievances and work with **positive mind-set** and make our Great Nation free from casteism, communalism, terrorism, corruption and filth. This would lead to making **New India** as envisioned by Hon'ble Prime Minister, Shri Narendra Modi Ji.

Positivism must become our way of life. May you get the chance to see the truth and differentiate between positive and negative. We should make efforts for positive transformation in our lives and take concrete steps in the journey from **Positive India to Progressive India**.

Let us pledge to respect all religions which is necessary for National Integration. Let us say good bye to violence, feeling of hatred and bitterness towards others.

I am not only hopeful but also confident that all of us will work sincerely towards enhancing the image of NYKS, empowering our youth for creating **New India** and achieving the goal of **Sankalp Se Siddhi of Ek Bharat Shreshtha Bharat**.

I wish you and your family a happy, healthy and prosperous new year. May the New Year bring you new goals, new achievements, new inspirations and new horizon of success.

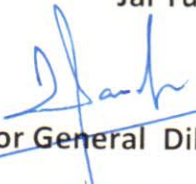

I on my part assure to serve NYKS and our youth with the above in mind always.

Have a challenging, stimulating and path breaking 2018.
